

Iceland 2025

This itinerary covers all of the major things we will be doing. We will be adding in small excursions based on time.

*All days are subject to changing in order based on weather and time

.....

Day 1 Highlights:

- Grab an overnight flight and arrive early into the Keflavik airport. We will be picking you up upon arrival! (Suggested arrival time is before 12:00pm)
- Travel to the capital of Iceland, Reykjavik! Explore the city, the famous Hallgrimskirkja Church, and grab a local bite to eat.

The city of Reykjavik offers a mix of activities for all travellers, including parks, museums, spas, and a busy nightlife scene!

.....

Day 2 Highlights:

- Today we will be taking on “The Golden Circle.”

The Golden Circle is a 186 mile loop that takes you to the three most popular natural attractions in Iceland: the Geysir Geothermal Area, Gullfoss Waterfall and Thingvellir National Park!

- **The Geysir Geothermal Area:** This area hosts a geysir that blasts a column of boiling water to heights that can reach over 40 metres every 5-10 minutes. The surrounding area is dotted with fumaroles, hot springs, and mud pits.
- **Gullfoss Waterfall:** is one of the most beautiful and powerful waterfalls in Iceland, plummeting 105 feet in two tiers into the river gorge of the popular rafting river Hvítá.
- **Thingvellir National Park:** is surrounded by beautiful mountains and volcanic ranges, it is located in a rift valley between the North American and Eurasian

tectonic plates. *This makes it one of the few places in the world where you can walk between the continents, in the Mid-Atlantic Rift!!

.....

Day 3 Highlights:

- Today we will be travelling to southern Iceland!
 - On our way to our next overnight stay in Vik we will visit multiple waterfall sights including: **Seljalandsfoss Waterfall and Skogafoss waterfall**
